

BUSINESS CONTINUITY (BC) POLICY

Abu Dhabi Entertainment Company (ADEC) recognises that Business Continuity Management is an integral part of its management function. We are committed for ensuring our ability to plan for and respond to incidents and business disruptions in order to continue our operations at an acceptable predefined level.

Based on the identified threats and potential impact to our operations we will:

- Prioritise the immediate safety of our employees, tenants, customers and visitors;
- Mitigate risks to business continuity;
- Maintain communications with staff and customers during operation disruptions;
- Preserve the property and customer relationships;
- Enable as a quick recovery as possible in order to meet the business needs.

We are committed to ensuring that we are well prepared to meet customer needs and resume regular business operations in a timely manner in the event of a significant business disruption to ensure business objectives are met.

To help us achieve our aim, ADEC will establish and maintain Business Continuity Management policies and procedures that provides appropriate resilience and recovery for critical business processes, systems, data and applications.

We will develop an effective responses to potential incidents and disruptions which cannot be entirely eliminated, which safeguards the interest of our stakeholders, reputation and ongoing activities and events.

ADEC Business Continuity is considered to be one of the primary responsibility and fundamental to our business practices in line with Mubadala Group Business Continuity Policy and NCEMA standards and requirements.

ADEC Business Continuity program will also be periodically reviewed and revised where necessary.
